

MID SEASON NEWSLETTER

DECEMBER 2024

THANK YOU ALL

We would love to take this time to thank everyone for the season so far. Nothing goes unnoticed from lifts in cars from parents to oranges, photos, video's etc etc. Importantly too are the coaches. You've been brilliant so far this season and we cant wait to see how the seconds stage of the season pans out. We as a club want to be competitive in all areas but just as important are memories and moments and there have been soooooo many memories created so far.

SEASON BRIEF SO FAR.....

What a start for the brand new lions team. Led by coaches Stef and Jerome the boys have been fantastic. They started the season with a long unbeaten run leading them to the clubs first ever team of the month for September.

Under 8s Reds too are a brand new team. Led by coach Pete the Lions have made amazing steps week by week. With some big wins and some not so great defeats the U8 reds are what grassroot teams are about

Under 8s have been the team of the season so far!!!! They started off with a long unbeaten run but continue to develop, win and score a bucket load of goals most weeks from various players. Coach Jordan has them playing his way to great results

The Under 9s are going strong after a mixed bag of results at the start of the season. With coach Richard and coaches Stu and Ian the lions have found their feet and we are looking forward to the second half of the season

New coach Michael took on the Lions this season with a no nonsense approach to wanting to learn and develop and what an amazing job he has done. The boys are really united and together and have a playing identity that everyone buys into

A mixed bag of results for the 11s. Playing in a tough division and losing their keeper really put the lions on the ropes but they have dug deep to stick together and push forward. Finishing the first half of the season with a brilliant last day win

Coach Theo and Richard have the lions roaring in the cup and sit nicely in the table. The under 12s have a big half of the season coming up and seem to have gelled at the right time. Bring on the new year lions

The U13s are developing well under coach Lee. Having secured promotion last season they have begun to adapt to the next division and look to continue their development and progress

The 14s have had a tough start to the season but they are in safe hands with coach Joel. Some unlucky results with a stretched squad really have not justified results but they are on the UP and we look forward to the new year

The 15s are going strong in the (A) division. Coach Nick has the group on the up and really have huge potential to achieve more success again this season with the group. Huge games coming up for the lions

A brand new team for the Lions this year under parents and coaches James and Adrian. The guys have had a mix bag of results but continue to learn from each game. Sitting in a league position that gives great optimism for the rest of the season

The 16s are doing well this year playing in a very tough division. they are getting some huge results and are a win away from the league runner up place. The division is a real test of their physical and mental abilities but the continue to embrace it

SUCCESS SO FAR
